Frequently Asked Questions

What is the Group Congress Package?

The Group Congress Package is a comprehensive bundle only offered through our preferred travel partner, **Corporate Travel Service (CTS)**, a Catholic-owned and operated travel agency. Housing and Congress passes are conveniently packaged into one rate, simplifying your purchase process.

How do I register for the Group Congress Package with my diocese?

1. Scan the QR Code on your group's brochure to access the online registration site.
2. Follow the prompts to enter your personal information, select your rooming configuration, enter payment information, and acknowledge our terms and conditions.
3. Upon completion, you will receive a confirmation email with your diocesan code and a video tutorial providing instructions for finalizing your registration on the official National Eucharistic Congress' website.
4. Note that you will register *first* on CTS website and *second* on the NEC website.

What is the payment/cancellation schedule?

Payment Schedule:

A \$250 per person deposit is due upon registration.

A \$500 per person payment is due December 31, 2023.

The remaining balance is due April 17, 2024.

All payments are non-refundable.

What about travel insurance?

To protect your investment, travel insurance is highly recommended.

Visit www.travelinsured.com/agency?agency=47907&p=CTS21 to purchase insurance.

What is the process for registering children?

Children ages 3-18 receive a \$100 discount. You will need to register these children with CTS as they will count in the occupancy of your room. You will then also need to register them with the NEC, following the prompts during your registration.

Children ages 0-2 are free. You will not need to register these children online with CTS (to avoid charges), but you do need to register them on the NEC's official registration page.

Please call Corporate Travel directly if you will be traveling with children in this age range.

When will I receive my hotel details?

Hotel accommodations details will be provided by CTS three months in advance of the Congress start date.

What about transportation to and during the event?

For dioceses who would like to travel together to and from Indianapolis, Corporate Travel will customize group air or motorcoach packages. Along with this, Corporate Travel is working with the NEC to offer transportation from the hotel to the stadium during the event. Watch your email for details.

When will I be able to choose which sessions I attend?

- Currently, when you formalize your registration on the NEC site, you'll be able to select the General Sessions you wish to attend. Then as we get closer to the event, the NEC will send out an email to everyone who has registered in order to select your sessions from their finalized programming list. Expect this email sometime in spring 2024.
